

# MAGNOLIA

Magnolia Hotels is closely monitoring all COVID-19 updates and we are adhering to guidelines set by the Centers for Disease Control & the World Health Organization, as well as local health departments. The well-being of our guests & associates is immensely important to all of us at Magnolia Hotels and we are taking additional measures to keep our properties sanitized and safe for all of us.

To increase hygiene and to better cater to hotel occupancy levels, we are constantly evaluating our amenity offerings. The amenity offerings will vary by hotel. Please ask our front desk teams for updates upon check-in. Also feel free to contact us for the most current information prior to your arrival.

Thank you for your support. Stay safe, and we look forward to welcoming you with Pure Hospitality at one of our hotels soon.
