

OUR COMMITMENT TO HEALTH AND SAFETY

HOTEL OPERATION UPDATES

Please note: The below policy is also available in [Spanish](#) and [Portuguese](#). If you have any questions, please reach out to [855.878.6700](tel:855.878.6700).

Trump Hotels has a long-standing commitment to providing impeccably clean properties, with a focus on ensuring the health and safety of our associates, guests and residents. We remain dedicated to providing our signature, unsurpassed luxury while ensuring that you enjoy peace of mind along with the incredible experiences you've come to know and love from us. With this in mind, we are proud to announce that seven of our properties are among the first hotels in the world to become Sharecare Health Security VERIFIED® with Forbes Travel Guide.

The following destinations have earned the elite distinction, which has been awarded to fewer than 200 properties globally:

- Trump International Hotel & Tower Chicago
- Trump International Hotel & Tower New York
- Trump International Hotel Waikiki
- Trump International Hotel Washington, D.C.

- Trump National Doral Miami
- Trump International Golf Links & Hotel Doonbeg Ireland
- Trump Turnberry, A Luxury Collection Resort Scotland

Developed by Forbes Travel Guide, the comprehensive verification covers more than 360 standards across health and hygiene protocols, cleaning products and procedures, ventilation, physical distancing, the guest experience, and health safety communication with guests and employees. Hotels are required to verify their health protocols on an ongoing basis to ensure continued compliance with the most up-to-date global health standards.

Please note that with all of the safety protocols we have in place, we also rely on you, our guests, to help keep everyone healthy and well. To that end, all guests are required to wear face masks and to observe social distancing guidelines while in our public areas; this includes our lobbies, restaurants, spa/fitness and pool areas.

We look forward to welcoming you back soon!
